

**Reproduced Table I**

| Method            | Average Error (%) | Accuracy (<10%) | Accuracy (<15%) |
|-------------------|-------------------|-----------------|-----------------|
| Method 1          | 16.29             | 45.1            | 62.75           |
| Method 2 (disk-4) | 10.43             | 56.86           | 80.39           |
| Method 2 (disk-5) | 10.21             | 58.82           | 84.31           |
| Method 3          | 10.64             | 66.67           | 86.27           |
